

## **ABOUT DR. MONIKAH OGANDO**

Dr. Monikah Ogando is CEO and Founder of the award winning firm CEO Mastery, an executive and leadership development firm working with exceptional leaders who want to elevate brand position, engage their people, and increase profits while honoring their true purpose. In addition to Dr. Ogando's success with CEO Mastery she took her first company to rank as one of Inc 500's fastest growing private companies in the United States. She is an award winning author, TEDx speaker and keynotes in the areas of leadership, marketing and communication.

With a background in finance and holding two doctorates, in Psychology and in Comparative Religions, Dr. Monikah has become a foremost authority in building sustainable, leveraged and profitable enterprises. She has been featured in ABC, NBC, Fox and CBS as well as Entrepreneur Magazine, Inc Magazine and other notable publications. She is the author of best sellers such as "On Fire: 7 Steps to Ignite Your Business and Light Up Your Life," "Sacred Commerce: The 7 Spheres of Spirit Driven Leadership", and "Unlock Your Inner CEO: Leading from the Inside Out".

In every talk, Dr. Monikah combines soulful wisdom with razor sharp business advice based on experience, personal wisdom and know-how, to shake up and wake up every aspect of your business and your life

As an Organizational Psychologist & Leadership Coach, Dr. Monikah integrates data with dharma, results with relationships and leadership with service. She has served as a mentor to entrepreneurs through MicroMentor USA, to emerging women leaders through Women for Women International, Girls, Inc., as well as Big Brother Big Sister, and she regularly mentors business owners through her Thrive Tribe growing online community.
