

Bio of Jason Gregory Gregory Media Group, LLC, Founder & CEO

Creating Entertaining Experiences that Contribute to Sustainable Economic Growth for Local Communities As a leader and creative innovator of events that help sustain economic growth for many Central Florida communities, Jason Gregory is Founder and CEO of Gregory Media Group, LLC.

Using all facets of marketing, communications, and brand management, Gregory is often acknowledged for transforming vision and an eagerness for community enrichment into the production of fun-filled, quality, family entertainment.

He is applauded by news media feature stories for establishing a strategic partnership with the City of Oviedo to create a series of popular events, including the heralded I-4 Comedy Tour and “Viva Oviedo!”

With more than two decades of experience working in the trenches and building strategic business relationships with important stakeholders, Gregory is known for having a unique business thumbprint for customizing sound solutions for prominent brands. His media group is also known as a network of brand builders, content creators and marketing mavens connecting ideas to the appropriate audiences.

Gregory and his team have worked with multi-million-dollar organizations such as: The National Basketball Association, Reach Media, the Allstate Tom Joyner Family Reunion, and the Florida Agricultural & Mechanical University College of Law. He advises business owners and executives with advertising and brand building strategy that will yield a higher return on investment.

Prior to becoming an entrepreneur, Gregory served eight years in the U.S. Army Reserves. With expertise in sales & marketing, brand development, and project management, he is a well-respected business man.

Gregory resides in the city of Oviedo, Florida, with his wife and two sons. He holds a Bachelor of Science Degree in Communications from Virginia Commonwealth University and is currently studying for a master’s Degree in Emerging Media-Entrepreneurial Digital Cinema, at the University of Central Florida.
