YOUR JOURNEY FROM IMAGINATION TO DESTINATION STARTS WITH US

## Mario Jackson, Ed.D.

Dr. Mario Jackson is an educator with over 15 years of experience in higher education teaching and administration. He has excelled in both traditional and proprietary sectors, where colleagues have recognized him for cultivating faculty development and student success. Presently, he is the Chief Executive Officer of Jackson Educational Consulting Group, LLC. His firm teaches organizations how to optimize their best assets to deliver a first-class online learning experience that improves student outcomes. He is also the host of *Office Hours with Dr. Mario*, an online blog that shows students how to use the principles of thought work to complete their online classes so they can graduate on time.

Previously, Dr. Jackson led the institutional research department at a major online university. His team's work informed decision-making across all academic and operational units at the institution. One of Dr. Jackson's strengths is developing faculty's ability to prepare students on how to translate theory into practice. As an instructional leader, he has implemented and assessed new courses, developed program improvement initiatives, and facilitated professional development training on a variety of topics, including implementing instructor-student coaching, increasing student engagement, and improving retention rates in online classes.

Dr. Jackson employs an enterprising and creative spirit to inspire a shared vision and to build collaborative relationships. His passion for teaching and learning converge to guide educators from their imagination to their destination.
