

Yusuf Smith Short Bio

A long time real estate investor and web developer, Yusuf has a combined 20+ years of experience in both industries. He has also combined his extensive training, education and experience in information technology and real estate into streamlining those processes for entrepreneurs, small businesses and realty professionals. This has allowed Yusuf to show his skill and passion for helping others, by providing affordable housing and boosting a person's endeavors and online branding, often times simultaneously.

Yusuf is currently President of Toastmasters of West Georgia, a division of Toastmasters International, a global and national organization dedicated to helping people become better public speakers and leaders. Yusuf inspires everyone around him to higher goals and ideals, the reason he frequently touts the benefits of public speaking and overcoming adversity.
